

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Thermally toughened soda lime silicate safety glass FeuerFest E60-6 with the intended use resistance of fire

placed on the market by

Marepleks OÜ

Address: Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

and produced in the factory

Marepleks OÜ

Address: Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Estonia OÜ has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 12150-2:2004

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 04.04.2011 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.ee.
