

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

## **Fire resistant insulating glass unit DIG FeuerFest EI60**

***For the use as non-loadbearing glazed partition elements  
with the fire resistance class EI60***

*Test report 10-V-142, 08.07.2010 (Efectis)*

placed on the market by

**Marepleks OÜ**

Address: Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

and produced in the factory

**Marepleks OÜ**

Address: Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Estonia OÜ has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 1279-5:2005+A2:2010**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 08.07.2011 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at [www.inspecta.ee](http://www.inspecta.ee).
