

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Thermally toughened soda lime silicate safety glass FeuerFest E60-6
with the intended use resistance of fire**

***Intended use in buildings with requirements for fire resistance in accordance
with EN 13501-2:2007 + A1:2009.
Fire resistance class E60***

placed on the market under the name or trade mark of

Marepleks OÜ

Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

and produced in the manufacturing plant

Marepleks OÜ

Pikk 19A, 61505 Elva, Tartumaa, ESTONIA

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 12150-2:2004

under system 1 for the performance set out in this certificate are applied and that

the performance of the construction product is assessed to remain constant.

This certificate was first issued on **04.04.2011** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body. The validity of the certificate can be checked on the Internet at www.inspecta.com/et.
